

Instructions for using the Leadership Training Materials EQUIP Ministries

This course is part of the Leadership Training materials developed by Equip Ministries. These leadership training materials are based on books and teachings done by John Maxwell. Equip Ministries has given Global Teen Challenge permission to distribute these materials.

Volume One of these materials has 36 courses. Each course is devoted to one of three areas for leadership development:

1. Spiritual Formation: Integrity, Ethics, Humility, Motives, Core Values
2. Skill Formation: Developing People, Communicating, Team Building, Problem Solving
3. Strategic Formation: Effective Planning, Priorities, Vision

At the present time, most of these courses only have one set of notes that are designed to be given to each participant who is taught these materials.

Teaching this Course:

If you teach this course, you will need to develop your own teaching notes by using the notesheet, the answer key and then adding your own illustrations and applications of these principles to your local setting. One requirement that Equip Ministries made as a condition for our use of these materials is that you are not permitted to remove the Biblical references included in these lessons. You are free to add more scriptures if you so desire.

Answer Key Available:

Most of these courses have blanks for the participants to fill in. The answers for these are available as a separate download at the www.iTeenChallenge.org website.

You are authorized to reprint these notes for use in your teaching. However, you may not sell these materials.

If you develop your own set of notes, a PowerPoint presentation, or any other teaching aids, please send a copy to Global Teen Challenge at the following email: gtc@globaltc.org
